

Jiayi Kou (Angel)

205 Russell St., West Lafayette, IN 47906 kouj@purdue.edu (765) 421-5948

Objective:

To obtain an internship position in software development, particularly interested in iOS development.

Education:

Purdue University, College of Science, *West Lafayette, IN*
Bachelor of Science in Computer Science

MAY 2019

Knowledge & Skills:

- Programming languages: *Java, ASP. NET, SQL, swift*
- Coursework: CS 180 (Introduction to Object Oriented Programming), CS 490 (Intro to iOS programming), CS 240 (C Programming). CS 182 (Foundation of Computer Science)
- GPA: 3.7
- Github account: <https://github.com/kjy1997>

Projects:

- **Casper (ridesharing app)**
-A ride-sharing application in iOS that intends to help local users and drivers to share rides and make some extra money.
- **Flicks (Movie information app)**
-An iPhone app that shows the now playing movies, top rated movies and their detailed overviews.

Experience:

- **EPICS** ***Sep. 2016-present***
-EPICS is a program in which undergraduates build systems to solve engineering-based problems for local community.
-Accomplished meaningful projects and acquired knowledge in C# and ASP.NET.
-Learned team-building techniques and developed teamwork spirits.
- **iOS Development Club** ***Sep. 2015-present***
-Develop swift programming skills by creating Apple application projects.
-Collaborate with club members to work on several team projects.
- **Computer Science Women's Network (CSWN)** ***Sep. 2015-present***
-Connect with women in computer science and share insights about our common passion.
-Organize and participate in social and academic club events to unite female programmers.

Work Experience:

- **Food Service Staff** ***Jan. 2016-May 2016***
-Developed responsible working ethics and time management skills.
-Understand the basics of working in a team.
- **Private Tutor** ***May 2015-Jun. 2015***
-Demonstrate the fundamentals of mathematics and English subjects to students to better communication and persuasive skills.
-Encourage students to build confidence in their studying as an innovative and motivating mentor.
